INTRODUCTION

The Illinois Register is the official state document for publishing public notice of rulemaking activity by State governmental agencies. The table of contents is arranged categorically by rulemaking activity and alphabetically by agency within each category. Rulemaking activity consists of proposed or adopted new rules or amendments to or repealers of existing rules, including those by emergency or peremptory action.

The *Register* also contains Executive Orders and Proclamations issued by the Governor, notices of public information required by State statute, and activities (meeting agendas, Statements of Objection or Recommendation, etc.) of the Joint Committee on Administrative Rules (JCAR), a legislative oversight committee which monitors the rulemaking activities of State agencies. In addition, the *Register* contains a Cumulative Index listing alphabetically by agency the Parts (sets of rules) on which rulemaking activity has occurred in the current *Register* volume and a Sections Affected Index listing, by Title of the *Illinois Administrative Code*, each Section (including supplementary material) of a Part on which rulemaking activity has occurred in the current volume. Both indices are action coded and are designed to aid the public in monitoring rules.

The *Register* will serve as the update to the *Illinois Administrative Code*, a compilation of the rules of State agencies. The most recent edition of the *Code* along with the *Register* comprise the most current accounting of the State agencies' rules.

The *Illinois Register* is the property of the State of Illinois, granted by the authority of the Illinois Administrative Procedure Act (Ill. Rev. Stat. 1985, ch. 127, pars. 1001 et seq., as amended).

5) A Complete Description of the Subjects and Issues Involved:

The purpose of this rulemaking is to make adjustments in the Community Care Program procurement process, compliance review processes, resultant service history scores and contract actions, prior to the next solicitation for providers of Community Care Program services. The procurement process has been expanded to include a more specific explanation of the emergency procurement process and terminology has been revised to clarify the standard procurement process. A revised service history score methodology is being implemented which assigns a score based upon the individual vendor's record of performance. The compliance review process has been streamlined and clarified, allowing for removal of immediate on-notice language and for a correction period prior to the imposition of any contract action. In addition, a new type of review, Special Review, has been added to allow the Department to respond to service complaints or violations which are received from sources other than the standard compliance review process. Contract action rule language has been revised to implement sanctions specific to the vendor service violations found.

In addition, cost reporting specifications have been revised to include an additional option for submitting reports and required detailed cost information.

4) Statutory Authority: Ill. Rev. Stat. 1987, ch. 111 1/2, pars. 1013, 1022.4 and 1027.5) A Complete Description of the Subjects and Issues Involved:

A complete description is contained in the Board's Proposed Opinion of November 8, 1990 in R90-14, which Opinion is available from the address below. Section 13(c) of the Environmental Protection Act (Ill. Rev. Stat. 1987, ch. 111 1/2, par. 1013(c)) provides that Section 5 of the Administrative Procedure Act shall not apply. Because this rulemaking is not subject to Section 5 of the APA, it is not subject to first notice or to second notice review by JCAR.

This rulemaking updates the Board's RCRA underground injection control rules to correspond with amendments adopted by USEPA which appeared in the Federal Register during the period January 1, 1990 through August 31, 1990.

One June 1, 1990, USEPA promulgated the restrictions on land disposal of Third Third Scheduled Wastes. That rulemaking included restrictions under both the RCRA and UIC programs. The present Board rulemaking deals only with the portion of that proceeding which impacts the Illinois UIC program. Docket R90-11 will deal with those portions impacting the Illinois RCRA program.

The federal rulemaking primarily completes the list of Third Third Wastes prohibited from underground injection (40 CFR 148.16, corresponding to 35 Ill. Adm. Code 738.116). It also adds First Third Wastes (40 CFR 148.14, corresponding to 35 Ill. Adm. Code 738.114) and Second Third Wastes (40 CFR 148.15, corresponding to 35 Ill. Adm. Code 738.115) and add an exception from the general prohibition against underground injection for certain characteristic wastes (40

CFR 148.1, corresponding to 35 Ill. Adm. Code 738.101). The present rulemaking proposes those recent federal amendments.

6) Will these proposed amendments replace an emergency rule currently in effect? No.7) Does this rulemaking contain an automatic repeal date? No.8) Does these proposed amendments contain incorporations by reference?

No.

9) Are there any other amendments pending on this Part? No.10) Statement of Statewide Policy Objectives:

This rulemaking is mandated by Section 13(c) of the Environmental Protection Act. The statewide policy objectives are set forth in Section 11 of that Act. This rulemaking imposes mandates on units of local government only to the extent that they may be involved in underground injection of wastes.

11) Time, Place and Manner in which interested persons may comment on this proposed rulemaking:

The Board will accept written public comment on this proposal for a period of 45 days after the date of this publication. Comments should reference Docket R90-14 and be addressed to:

- 2) If an adjusted standard has been granted in response to a petition filed under Section 738.120; or
- 3) If the waste is generated by a conditionally exempt small quantity generator, as defined in 35 Ill. Adm. Code 721.105.

- d) Wastes that are hazardous only because they exhibit a hazardous characteristic, and which are not otherwise prohibited from injection under this Part, are not prohibited from injection if the wastes:

- 1) Are disposed into a nonhazardous or hazardous waste injection well defined under 35 Ill. Adm. Code 730.106(a); and
- 2) Do not exhibit any prohibited characteristic of hazardous waste identified in 35 Ill. Adm. Code 721.105 at the point of injection.

Section 104.45 Postponement or Continuation of Hearings

- a) ~~A hearing may be postponed or continued for a reasonable period at the discretion of the Department for good cause shown.~~
- b) ~~A request for the postponement or continuance of the hearing can be made prior to or at the hearing. All requests for postponement made prior to the hearing must be made in writing, except for the first request for a continuance of a food stamp appeal. The filing of a written request for postponement or continuance shall not preclude the appellant and/or his representative from making a request to the hearing officer at the hearing.~~
- c) ~~If the request for a continuance or postponement is granted, the parties shall be notified of the new date, time and place.~~

a) The Department may postpone or continue a hearing for a reasonable period as provided in this Section.

b) A request to postpone or continue a hearing may be made prior to or at the hearing, and should be made as soon as the party or representative becomes aware that good cause might exist for either not appearing for, or not proceeding with, the hearing. See subsection (b)(2) for what constitutes "good cause".

1) All requests for postponement made prior to the hearing must be directed to the Assistance Hearings Section. Except for the first continuance at the appellant's request of a food stamp appeal, all requests for postponement made prior to the hearing must be in writing.

2) The first postponement or continuance at the appellant's request of a food stamp appeal does not require a showing of good cause. All other requests for postponement made prior to the hearing ordinarily will be granted in advance of the hearing only when the party or representative shows that he has good cause for not appearing for that hearing for reasons such as illness, a conflicting appearance, or similar circumstances beyond his reasonable control.

Changes include a requirement that new applicants must have at least 500 hotel/motel rooms in their service area and a requirement that the counties served must be contiguous. SUBPART F: DISTRIBUTION OF SUPPORT COLLECTIONS

Section 160.100 Distribution Of Child Support For AFDC Recipients

- a) For the purposes of distribution under this Section, amounts collected shall be treated first as payment on the required support obligation for the month in which the child support was collected and if any amounts are collected which are in excess of such amount, these excess amounts shall be treated as amounts which represent payment on the required support obligation for previous months. Effective June 9, 1988, the date of collection shall be the date on which payment is received by the Clerk of the Circuit Court of the Department, whichever occurs first. "Date of collection" shall be as defined in Section 160.5.

- b) Child support payments which are received by the Department for a month in which a client is an AFDC recipient shall be distributed as follows:

a month which represents payment on the required support obligation for that month, the first \$50.00 of such amount shall be paid to the family. ~~This~~ One payment will be forwarded to the family in the second (2nd) month following the month the child support payment is collected within fifteen (15) calendar days of the date of initial receipt in the State (See Section 160.5) of the first \$50.00 of support collected in a month, or, if less than \$50.00 is collected in a month, within fifteen (15) calendar days of the end of the month in which the support is collected. This payment will be disregarded when determining eligibility for AFDC and the amount of the AFDC grant. If the amount collected includes payment on the required support obligation for a previous month or months, the family shall only receive the first \$50.00 of the amount which represents the required support obligation for the month in which the support was collected. However, when there is a served order of withholding and the payor of income transmits multiple months of support payments to the Department in a lump sum, the family shall receive the first \$50.00 of each month of support withheld. If amounts are collected for a single filing unit (see 89 Ill. Adm. Code 112.300(b)) which represent support payments from two or more responsible relatives, only the first \$50.00 of the amount collected which represents the total required support obligation for the month in which the support was collected shall be paid to the family under this subsection. No payment shall be made to a family under this subsection for a month in which there is no child support collection.

- 2) Reimbursement of Current AFDC: If the amount of child support collected in a month on behalf of an AFDC recipient exceeds the amount to be paid to the family pursuant to subsection (b)(1), the excess shall be retained by the Department to reimburse the Department for the assistance payment for the month in which the support was collected or the next month.

- 4) Reimbursement of Past AFDC: If the amount of child support collected in a month on behalf of an AFDC recipient is in excess of the amount required to be distributed pursuant to subsections (b)(1) through (b)(3) above, any such excess shall be retained by the Department as reimbursement for past assistance payments made to the family for which the Department has not been reimbursed. The Department will apply the amount retained to any sequence of months for which the Department has not yet been reimbursed. If past assistance payments made to the family are greater than the unpaid support obligation, the maximum amount the Department can retain as reimbursement for such assistance payments is the amount of such obligation, unless amounts are collected which represent the required support obligation for periods prior to the first month in which the family received assistance, in which case such amounts can be retained by the Department to reimburse the difference between such support obligation and such assistance payments.

However, no such amounts shall be applied to future months unless amounts have been collected which fully satisfy the support obligation assigned for the current month and all past months.

receipt in the State to DCFS and used in the best interests of the child.

- 5) Future support: If an amount collected as support represents payment on the required support obligation for future months, the amount shall be applied to those future months. However no amounts shall be applied to future months unless amounts have been collected which fully satisfy the support obligation assigned for the current and all past months.

- c) When DCFS ceases making IV-E foster care maintenance payments, the assignment of support rights terminates except for the amount of any unpaid support that has accrued under the assignment. The Department shall attempt to collect such unpaid support. Any collection made by the Department under this subsection shall be distributed in accordance with subsection (b)(3) of this Section.

- 15) Summary and Purpose of Adopted Amendment: It has come to our attention that the registered nurse requirement has kept some excellent facilities from participating in the Exceptional Care Program due to the nursing shortage. Certain Exceptional Care clients may not require a registered nurse to be on duty during the evening shift; therefore, rather than automatically requiring a facility to staff a registered nurse on the evening shift, it will be left up to the Department to make that determination. Hence, this proposed change is removing the requirement for a registered nurse to be on duty on the evening shift and giving the Department the right to determine if a registered nurse is required on the evening shift based on each individual Exceptional Care client's needs.

SUBPART E: GROUP CARE

Section 140.569 Clients With Exceptional Care Needs

a) Exceptional Care Program

- 1) Pursuant to Section 5-5A of the Illinois Public Aid Code (Ill. Rev. Stat. 1987 1989, ch. 23, par. 5-5A), the Department may make payments to nursing facilities which substantially meet licensure and certification requirements as may be prescribed by the Department of Public Health. For purposes of this Section, substantial compliance shall mean compliance with eligibility standards required of providers under the Department's QIP program, Section 140.525(b).
- 2) The Department may, but is not required to, enter into contracts with facilities offering exceptional medical services, referred to herein as Providers.
- 3) Exceptional medical care is defined as the level of medical care required by persons who are medically stable and ready for discharge from a hospital but who require a multi-disciplinary level of care for physician, nurse and ancillary specialist services with exceptional costs related to extraordinary equipment and/or supplies that have been determined to be a medical necessity. This includes but is not limited to persons with acquired immune deficiency syndrome (AIDS) or related condition, head-injured persons, and ventilator dependent persons. Consideration may be given to those residents currently residing in a facility who require a multi-disciplinary level of care and meet criteria as stated in subsection (j)(2).
- 4) The Department shall negotiate with nursing home providers and enter into a contract with Providers. The rate of payment will be reasonable and adequate to meet the costs incurred by the facilities providing exceptional care. ~~The rate of payment shall not exceed the amount the Department determines would be paid under Medicare principles of reimbursement.~~ Providers may negotiate separate facility wide rates for separate types of care. In determining

The period used for determining the 75% quota will be no later than six months after the effective date of the contract between the Department and the Provider. The Department may review compliance as necessary. Failure of the Provider to comply with this quota may render the discontinuation of the Department, the exceptional care contract void and may exclude the effected Provider as a participant in the exceptional care contract program for a period not to exceed one (1) year.~~

c) Exceptional Care Staffing Requirements

Staffing requirements for facilities providing exceptional care include:

- 1) A minimum of one RN on duty on the day shift and evening shifts, seven days per week, (as required by the Department of Public Health and set out in 77 Ill. Adm. Code 300.1240). STATE BOARD OF EDUCATION

NOTICE OF REFUSAL TO MEET THE OBJECTION
OF THE JOINT COMMITTEE ON ADMINISTRATIVE RULES

Although the necessity for this rulemaking has been evident for a number of months, as the Joint Committee has noted, discussion of the precise language which would be acceptable to the U. S. Department of Education with respect to several of the sections amended was not concluded until this June. Until that time, there remained issues which had not been entirely clarified, preventing the Board from proceeding early enough to use the ordinary rulemaking process. The Board therefore declines to repeal the emergency amendments, as the underlying need for them persists.

Objection 2

The Joint Committee objected to the amendment made to 23 Ill. Adm. Code 226.525 on the grounds that the State Board lacks the statutory authority to specify that no written parental consent is required before a reevaluation of a child in connection with special education. The Joint Committee stated further that the Board should have pursued an alternative option which was available to it and which would not have relied upon a new interpretation of legislative intent.

The Board reiterates its position that the placement of the consent requirement within those provisions of the law regarding eligibility for special education is an indication of its intended applicability to initial evaluations only. However, in response to public comment on the concurrent ordinary rulemaking, the Board has adopted alternative language which will still meet the requirements of the U. S. Department of Education. The Board therefore declines to initiate rulemaking to amend the emergency amendment to Section 226.525.

EPILEPSY MONTH

Whereas, more than two million Americans, including 120,000 Illinoisans suffer from epilepsy; and

Whereas, approximately 100,000 new cases of this disorder develop each year in our country, primarily among young people; and

Whereas, epilepsy is tragically shrouded in myth, ignorance, and fear, which too often work to deprive those with epilepsy the opportunities that will enable them to achieve a normal, active, and productive life; and

Whereas, the Epilepsy Coalition of Illinois, associated with the Epilepsy Foundation of America, is conducting a public education campaign to bring the facts about epilepsy to the attention of our state throughout the year, and especially during the month of November;

Therefore, I, James R. Thompson, Governor of the State of Illinois, proclaim November 1990 as EPILEPSY MONTH in Illinois. I ask all citizens to join with the Epilepsy Coalition of Illinois in its efforts to educate the public about epilepsy so people with epilepsy can take their rightful place in the mainstream of American society.

Issued by the Governor November 5, 1990.

90-515

HONOR ISRAEL DAY

by immigrants of many cultural and ethnical backgrounds; and

Whereas, the Israeli government, like that of the United States, is guided by the principles of democracy and equality; and

Whereas, Israel and our state have formed the Illinois-Israeli Initiative, a partnership seeking opportunities and solutions to common challenges; and

Whereas, the Initiative established the Illinois-Israeli Joint Committee to encourage cooperation between our state and Israel in the areas of trade, technology development, agriculture, science, communications, and tourism; and

Whereas, Israel should be given special recognition for its cooperative efforts;

Therefore, I, James R. Thompson, Governor of the State of Illinois, proclaim December 12, 1990, as HONOR ISRAEL DAY in Illinois.

Issued by the Governor November 5, 1990.

Filed with the Secretary of State November 13, 1990.

90-516

HARRY MARK PETRAKIS DAY

Whereas, the United Hellenic American Congress will hold its 15th Annual Dinner Dance in the Grand Ballroom of the Chicago Hilton and Towers on Saturday, November 10, 1990; and

Whereas, the United Hellenic American Congress will honor award-winning novelist, lecturer, and teacher, Harry Mark Petrakis; and

Whereas, Mr. Petrakis' literary successes include eight novels, three collections of short stories, and two memoirs; and

Whereas, he was twice nominated for the National Book Award in Fiction, and three of his novels, "In the Land of the Morning", "Nick the Greek", and "A Dream of Kings", were made into motion pictures; and

Whereas, Harry Mark Petrakis was born to Greek immigrants and raised in an ethnic neighborhood on Chicago's South Side. He bases many of his stories upon his Greek-American background;

Therefore, I, James R. Thompson, Governor of the State of Illinois, proclaim November 10, 1990, as HARRY MARK PETRAKIS DAY in Illinois.

Issued by the Governor November 8, 1990.

Filed with the Secretary of State November 13, 1990.

90-517

MYRON F. WEIL HONORED

Whereas, Myron F. Weil will always be remembered for the innovations and contributions he has made to business and government; and

Whereas, Weil began his career as a truck driver-salesman for

a beverage company, eventually becoming the chairman and chief executive officer of Royal Crown Bottling Company of Chicago; and Whereas, he revolutionized the soft-drink bottling industry with the introduction of soda in cans and the initiation of the 16-ounce bottle; and

Whereas, I appointed Weil chairman of the Illinois State Toll Highway Authority in 1977, a position he held with honor and distinction, becoming known as the father of the modern toll road in our state; and

Whereas, his family and friends will deeply miss his kindness, gentleness, humor, hard work, and a zest for life; Therefore, I, James R. Thompson, Governor of the State of Illinois, ask that all flags be flown at half-staff from now until sundown, Saturday, December 8, 1990, in honor of MYRON F. WEIL.

The Sections Affected Index lists, by Title, each Section of a codified Part on which rulemaking activity has occurred in this volume of the Register and is divided into two parts: the first lists the Sections on which rulemaking activity occurred in the previous issues of this volume year; the second lists the Sections on which rulemaking activity occurred in this issue of the Register. The columns in both parts indicate the type of rulemaking activity and the action taken along with the page number on which the first page of the notice of rulemaking activity appeared. If a Section on which action is being taken in the current volume (calendar year) of the Register was proposed in a previous volume, the last two digits of the previous volume's year appear immediately after the page number separated by a slash.
